## Important Info:

– EVERYONE, Please arrive ON TIME for your first dance listed above at stage rehearsal, and dressed in DANCE CLOTHES. Please leave your house early to account for any traffic or unexpected things that may occur on both rehearsal evenings and recital days. We cannot wait on people that are running late because it will throw off our already very tight schedule.

– When you arrive for STAGE REHEARSAL, come through the front doors of the theatre and straight to the auditorium with your dance bag and take a seat with the rest of your class. We will call each class up on the stage when it is time to practice, so make sure while you are waiting that you get the correct shoes on and ready. Parents are allowed to sit and watch in the auditorium with your students. Other classes will be practicing, so please be mindful and keep noise and conversations to a minimum.

– When you arrive for your scheduled recital show (1 hour before the show) please enter through the STAGE DOOR on Hamilton Street (there will be a sign) and from there, helpers will guide you to the correct dressing room area to drop off your student. Their dressing area is where you will also pick up your student at the end of the show. Every student under the age of 10 must be signed in and out for safety, and no one can leave their dressing room area until the show is over in its entirety.

– Please remember that DRESS REHEARSAL in COSTUME is the week of June 3 through June 8 during class time **at the dance studio**. Have your student come dressed in their costume that week (students that take a combo class/multiple styles during one class time, please come dressed in your ballet costume. Competitive & performance teams only need to bring costumes that have not already been performed in on stage). If you're in a combo class, make sure to bring all other costumes, shoes and accessories with you. We will change during class and the mirrors will be covered during this week as well. You do not need to worry about any specific hair or makeup for in-class dress rehearsal, we just need to make sure there aren't any costume problems or malfunctions while dancing.

– **June 3rd through 8th is also awards week and we will invite parents in the last 5-10 minutes of classes to see a very short and informal awards ceremony.**

– Please remember that there are NO CLASSES the week of June 10-15. There IS stage rehearsal on Thurs/Fri and our 3 shows on Fri/Sat at the theatre that week.

*Please remember that recital time is a very busy one, so please try to read all information given and if it doesn't answer your question, please try to ask anything additional before rehearsal and recital days in order to get the most prompt response. Thanks so much! We can't wait for you to see your beautiful dancers on stage!*
